

- Graphic Designer, UX/UI Designer
- BA (Hons) Graphic Design DMU (level 6)

Age - 20

About me

A dedicated and passionate Graphic Designer with 6 years worth of study into the subject. A wide range of knowledge, skill and experience using the Adobe suites, working with peers, and working independently through freelance jobs. Thrive in problem solving and the study of psychology in design, which fuels my aspiration into UX/UI.

Skills

- 5 years experience using Adobe suites (predominantly Photoshop, Illustrator, InDesign, XD and After Effects)
- Efficient use in Blender and Figma
- Effective using other devices like an iPad for Pro Create
- Deep awareness and passion for psychology - aiding the design process in colour theory, Graphic hierarchy, type and font terminology
- Experienced in printmaking (passion for screen printing)
- Retail and customer service experience

Hobbies

Played in local football teams since I was 9, have been a Goalkeeper for 10 years. Regularly attend training sessions and match days, also enjoy swimming and going to the gym.
